

Guess who is your church neighbor?

In order to help church members discover who lives closest to their homes (within walking distance), we organized a progressive supper where groups of approximately 8 people spent an evening visiting each other's homes and learning to know each other better.

The following two pages have templates of the initial invitation and the final plan.

During the study of the Sunday school material “Beyond our Fear” participants identified the need to know where their church neighbors lived in order for us to better care for each other in times of need.

On (date), beginning at (time) we invite you to participate in the Progressive Supper:

Guess Who Is Your Church Neighbor?

Clusters of participating church neighbors will meet to find out where others in their clusters live and are invited to host and share in a progressive supper of appetizers, main course and dessert.

In order to help us organize this event, please complete the following questionnaire and return it to:
